La provincia di Taranto

La fotografia può essere il mezzo più semplice, veloce e veritiero per descrivere luoghi e sensazioni, cogliere momenti irripetibili e testimoniare “l’oggi”, che, sempre più rapidamente, diventa “passato”, per poi restare “ricordo” solo in pochi.

Questo ho tentato di fare visitando, in questa lunga estate del 2011, tutti i comuni della provincia di Brindisi e Taranto.

Mi sono soffermato su “particolari” perché la frenesia del nostro tempo non consente di guardarci intorno, fermarci e vedere le cose belle e brutte che pure ci sono vicinissime.
